A screenshot of the "Create a New MyJohnDeere Account" page. The page has the John Deere logo and MyJohnDeere logo at the top. The main heading is "Create a New MyJohnDeere Account". Below the heading is a paragraph explaining that users are steps away from managing access to all John Deere applications. It also mentions that existing users can use their current log-in information. There is a link to "Sign in to MyJohnDeere". Below this is a section for "SIGN-IN INFORMATION" with a "Username" field and a note that the username must be at least 8 characters. Below that is a section for "PERSONAL INFORMATION" with fields for "First Name", "Last Name", and "Company (optional)".A screenshot of the address and contact information section of the account creation page. It includes a "Country" dropdown menu set to "United States (United States)". Below are fields for "Address line 1", "Address line 2 (optional)", "City", "State" (a dropdown menu), and "Zip code". There is a "Phone Number" section with a note that at least one is required and a valid mobile number is needed for SMS notifications. It has three sub-fields: "Mobile", "Work", and "Home". Below the phone numbers are fields for "Email Address" and "Verify Email Address". At the bottom of the form are "CANCEL" and "CONTINUE" buttons.
